

Make a long-term impact on a short-term mission trip!

God loves refugees, no matter their race, religion or station. Spend Memorial Day weekend in Greensboro, North Carolina, as you serve internationals and refugees who are rebuilding their lives after resettlement in the US. This trip is for women between the ages of 18 and 34.

Long Beach is one of the largest cities in California, but only 8 percent of its residents are affiliated with an evangelical church. Bring your entire family to serve the needy in the inner city and share the gospel with the lost. This trip is for ages 6 and older.
