

LOVE YOUR NEIGHBOR

CHILDREN'S MINISTRY DAY 2017

SAVE THE DATE:

Let's celebrate the

TENTH ANNUAL CHILDREN'S MINISTRY DAY

on Saturday, February 18, 2017!

Get children excited and encourage participation in CMD™ by planning a special event to commemorate the tenth annual opportunity for children to be involved in hands-on missions projects in their church and community.

Do you need a great reason you should get your group involved this year? CMD gives children an excellent opportunity to share the love of God with their neighbors in real-life ways and to observe the impact of their real-world service—what could be better?

Start brainstorming now: Lead your church to plan a Children's Ministry Day™ project that will encourage your children to participate in hands-on missions in your church, community, association, or across the state!

Supporting resources can be found on the reverse side of this flyer.
