

PURE WATER, PURE LOVE

Vision

For many people in the world, walking miles while carrying heavy jugs of water in order to make sure they have clean water is a daily reality. Many missionaries constantly run the risk of contracting a disease or parasite from the water in the countries they are in. This is where Pure Water, Pure LoveSM (PWPL) takes action.

The primary goal of PWPL is to provide missionaries with water filters and the people they serve with clean water resources. With the help of hundreds of churches, PWPL provides thousands of water filters to missionary families and helps fund clean water projects.

Pure Water, Pure Love impacts lives by providing the following:

- Water filters for missionaries
- Water bottles for short-term missions teams
- Grants for community water filters and wells
- Clean water resources for WorldCrafts artisan groups

The Impact of PWPL

"Thank you so much for blessing our family with water filters through PWPL. Knowing that we will be able to have safe drinking water for our family, especially our little girls, takes such a load off of us." –PWPL Filter Recipient

"I have been so excited to see how they have not just drilled wells, but have continued to improve them, adding pumps, towers, and even solar panels to one of them. The wells have also helped the ministry's orphanage. Previously, children would haul their water down a dirt path, or draw it from the dirty canal for bathing or laundry. Now it is piped in and they have immediate access. And the newly-installed solar panel over the pump makes water available even when the electricity is out, which is often." –PWPL Grant Recipient, Haiti

How You Can Get Involved

Pray for Pure Water, Pure Love

- Pray that God will allow those receiving clean water to know Jesus, The Living Water.
- Pray that those serving overseas will stay healthy as they share about Christ.
- Pray that many will be able to hear about Jesus Christ through PWPL.
