

# *Holistic* DISCIPLESHIP

LEARN • PRAY • GIVE • SERVE • SUPPORT

WMU comes alongside the church to accomplish the mission of God. From preschoolers to adults, we provide relevant resources to learn about and pray for missions, as well as opportunities for giving, serving and supporting missions.

When you think of WMU, you may think about groups like Mission Friends, Girls in Action or Women on Mission. But do you know we

bring restoration to countless lives through Christian Women's Job Corps and Christian Men's Job Corps?

provide missionaries and the communities they serve with clean water resources through Pure Water, Pure Love?

create hands-on missions opportunities for adults and families through our mission trips?

mobilize children to serve their communities and share the gospel through Children's Missions Day?

inspire awareness and action around critical social issues like PTSD and the global refugee crisis through Project HELP?

Visit [wmu.com/HolisticDiscipleship](http://wmu.com/HolisticDiscipleship) to learn more about missions and WMU.
