

PRAY FOR WOMEN AROUND THE WORLD

Write the names of the following areas (and one country) on a white poster:

Africa
Asia
the Caribbean
Europe
Latin America
North America
South West Pacific
Indonesia

Put each poster on a separate table, or on the wall next to each table. On each table add information about the size of the area, missions work there, and pictures from missions magazines.

Ask the women to go to one of these tables, read the information together, and pray for that area or Indonesia.

Another option: Use information from page 42, “Prayerwalking,” and ask participants to find a partner and “prayerwalk” through the information presented, to touch the world with Jesus’ love.

Invite someone who has been on a prayerwalk before to share experiences.
