

# YOUR WORK IS APPRECIATED

Use this form to compile WMU membership and participation information for the Annual Church Profile.

Christian believers are to be involved in missions. The extent or avenue of involvement in missions may vary from person to person. WMU® provides opportunities for individuals to be aware of and involved in missions on a regular or short-term basis. Activities may occur at church or in other settings.

Use this form to compile WMU membership and participation information for planning and reporting. It includes the WMU information needed for your church's report to the association on the Annual Church Profile (ACP). Give it to the church clerk or the person in your church who submits the ACP.
