

August Bulletin Board Idea

Supplies: blue and yellow butcher paper; green construction paper; stapler; scissors; yellow tissue paper; markers

Directions:

1. Cover a bulletin board with blue butcher paper. Use yellow butcher paper to create a large sun in the center top of the bulletin board.
2. Cut a variety of round-oval shapes from green construction paper. Staple them together to form a large prickly pear cactus. Crumple tissue paper into small blooms to staple on top of some of the cactus pads. Use a marker to add spines to the outer rims of the cactus pads.
3. Use markers to print:
The prickly pear cactus grows in hot Texas. Osvaldo and Vanessa Lerma are missionaries who help people in hot Laredo, Texas!
