

## A Church for Cowboys

Mr. and Mrs. Alphin minister to cowboys through videotaping them as they ride broncs and bulls so they can watch themselves ride and learn to be better riders. The Alphins also have a bunkhouse ministry for young cowboys and reach out to help at the rodeo and encourage people in the community.

### Pretend to Ride in the Rodeo

- Use a smartphone or tablet to show your preschooler a short video of a cowboy riding a bucking bull or bronc.
- Encourage your preschooler to pretend to be a bucking bull or bronc, or a cowboy trying to ride a bull or bronc.
- Record your preschooler as she pretends. Show her the video and encourage her to pretend again. Share that the Alphins record the cowboys, show them the videos, and help them learn to be better riders.
- Pray for Mr. and Mrs. Alphin as they reach out to cowboys in Cody and tell them about Jesus.
