Countless boys and girls have been a part of Children in Action since it began in 1995. These children grow into adults who impact their world for Christ. Many lives have been changed as children and their leaders have prayed for, given to, and participated in missions education and hands-on missions involvement.

As Children in Action meet and learn together, they "travel" to various places around the world learning about the work of missionaries, praying for others, learning what the Bible says about missions and serving others, and learning what they can do in their own communities to serve and share Jesus with others. Children in Action helps boys and girls gain a biblical worldview that challenges them to live a missions lifestyle everywhere they go and in whatever they may do.

Children in Action is designed with both girls and boys in mind. Children in Action helps children grow spiritually, recognizing the varying developmental stages of children in each grade. Children in Action materials are designed to help both younger and older children have missions experiences that lay a foundation for coming to faith in Christ as Savior and make missions an important part of their daily lives.

Children in Action Motto: Send me!

Children in Action Pledge: As a member of Children in Action, I will pray for missions, give to missions, learn about missions, and do missions through the power of Christ.

Children in Action Scripture Verse: "I can do everything by the power of Christ. He gives me strength" (Phil. 4:13 NIV).

CA Song:

Words to the official Children in Action song, "Children in Action," are printed below.

Chorus

*CiA is here to stay.
We're on a mission every day,
To live for Jesus in every way.
When He's the attraction,
We're Children in Action! (Repeat)*

Verse 1

*We're getting on our feet.
We're not gonna sit around,
Cause we wanna teach the world
About the new friend we've found.
J-E-S-U-S.*

Chorus

Verse 2

*We're showing God's love.
We're telling everyone
That God so loved the world,
He sent His only Son.*

J-E-S-U-S.

Chorus (Repeat.)
