CA LEADERS: To measure attendance and progress on badges, write each child's name in the first column. Record attendance each week by placing check marks in the small boxes. Below the check-mark area, print the name of the badge the CA seeks to earn. Once a badge has been earned, write the completion date in the space, order the badge, and present it to the CA. Determine the next badge to be earned, record it in the next space, and repeat throughout the year.
