

Chorus

We're Girls in Action.
We're girls with a mission,
And we're reaching the world.
We're Girls in Action,
And we're spreading God's love around the world.
All around, around, around the world. (Repeat.)

Verse —

Jesus, You've shown Your love,
The greatest love we know.
You said to tell the world,
And that is where we'll go.

Verse —

Jesus, You died for us,
And saved us from our sin.
We'll tell the whole wide world,
And we'll start with our friends.

Verse —

Jesus, You help us live,
You guide us every day.
You teach us from Your Word,
And hear us when we pray.
