

Meeting People from Central Asia

Sam and Olivia Martyn* make friends with the people they meet. The Martyns, together with their children Matthew*, Daniel*, and Anna*, learn new languages and try new foods as they tell people from Central Asia about Jesus.

Try New Foods!

With your family, visit an international grocery store in your city to purchase new snacks to taste. Greet the people you meet as you shop. When you get home, try the new snacks. Pray for the Martyns as they meet new people and taste new foods.
