

November Bulletin Board Idea

Supplies: light blue, dark blue, and green butcher paper; scissors; stapler; construction paper; precut alphabet letters; markers; paper lunch sacks; food pictures from grocery ads; glue sticks

Directions:

1. Cover a bulletin board with light blue butcher paper. Add tall dark blue mountains like those found in Colorado. Add white construction paper to resemble snow on the mountain tops. Add green butcher paper to resemble grass.
2. Below the mountain tops, use precut alphabet letters to add:
Pray for Jason and Mindy Tipton, missionaries in Denver, Colorado.
3. Along the bottom of the bulletin board, use markers to print:
Mr. Tipton helps people through the Send Relief Denver Ministry Center.
4. Use markers to print **SEND RELIEF** on paper sacks. Use glue sticks to glue pictures of food on the outside of sacks. Open the paper sacks, fold the tops closed, and staple them on the bulletin board below the prayer request.
