

February Bulletin Board Idea

Supplies: light blue and green butcher paper; stapler; different colors of construction paper; scissors; cellophane tape; markers; index cards

Directions:

1. Cover a bulletin board with a light blue butcher paper sky and green butcher paper grass. Add a yellow construction paper sun.
2. Use construction paper, scissors, and tape to create a tree, flowers, pond, turtle, butterfly, and so on. Staple the items on the bulletin board to create a park-like setting.
3. Use index cards to label items on the bulletin board.
4. In an empty space, use a marker to print: **John Fenton teaches English to people in the Asian Pacific Rim.**
