

Missions Discipleship for Adults

Missions discipleship empowers adults to become more effective witnesses in their world. When adults explore current missions efforts around the world, delve into the biblical mandate for missions, and become personally involved, they clearly see their responsibility to take the gospel to the nations.

To meet this need, consider beginning Adults on Mission, a coed organization for people over 18 years old. This missions discipleship group prepares men and women to work together to share the gospel of Jesus Christ and to hear God's call.

Most Adults on Mission groups are activity-based, so groups can be formed to meet an identified need in your community or when an existing small group decides to become involved in missions. Groups can also be formed around natural networks or affiliations (such as professions) or around life issues (such as parenting or retirement).
