

Missions Discipleship for Teenage Girls

Missions discipleship for teenage girls guides them to look beyond themselves and become actively involved in missions and ministry. What happens in missions discipleship doesn't just stay within the walls of the church; girls are challenged to live their lives openly for Christ in a very authentic and influential way. They grow to see that God can use them every day in countless ways to change their world.

Acteens® is WMU's missions discipleship group for girls in grades 7–12. Each week, Acteens learn about the ways God is at work in the world around them. They also commit themselves to the Scriptures, finding strength and purpose in their words. Acteens fearlessly share the good news of Jesus Christ with everyone they meet. The leaders of tomorrow are built today in Acteens.
