

Children love to share God's love. And, children love to learn by doing. Through missions discipleship, children learn to share His love in multiple ways, from collecting school supplies for back-to-school backpacks to passing out water at sports events, from taking a meal to a homebound community member to simply sharing a smile or a prayer with someone who needs it.

That's why we created **Children in Action** (CA), our coed missions discipleship group for children in grades 1–6. Through Bible studies, missions projects, and “traveling” around the world to explore the work of missionaries, children learn what it means to live life on mission.
