

Missions Discipleship for Teenage Boys

As young men transition into adulthood, it is of the utmost importance that their faith grows with them. Missions discipleship for teenage boys prepares them to face the world with confidence in Jesus Christ and a heart on fire for the gospel.

Challengers® is WMU's missions discipleship group for boys in grades 7–12. As young men plan and participate in missions activities like praying, giving, Bible study, ministry, and witnessing, they become Challengers. Through the study of Scripture, Challengers build a strong foundation.

Through mission study, Challengers have their eyes opened to the work God is doing in the world. And through the call to action, Challengers dare to put their faith to the test in the real world. Missions discipleship with Challengers ensures that a new generation of men are biblically rooted, world aware, inspired to serve, and actively engaged. Are you up for the challenge?
