

Things to Do in Senegal

During the month of May, Mission Friends will learn about the work of Moses and Beth M. in Senegal. The M. family works with Send Relief to help provide school supplies, medical clinics, and food for those in need. Mr. M. works with churches to help them tell others about Jesus, and Mrs. M. leads Bible studies for women in her community.

Pray together for Moses and Beth M. as they help the people of Senegal.

What would you like to do in Senegal?

Help your child:

- Read the list of activities families can do in Senegal.
- Put a check mark next to the activity he or she would like to do most.
- Find pictures of the activity on a smart phone or tablet.
- Draw a picture of himself or herself doing that activity.
