

June Bulletin Board Idea

Supplies: blue and green butcher paper; construction paper; scissors; stapler; tape; precut alphabet letters; markers

Directions:

1. Cover a bulletin board with blue butcher paper. Use green butcher paper to make grass along the bottom of the bulletin board. Add construction paper clouds and sun to the bulletin board.
2. Use precut alphabet letters to add:
Welcome to Porcupine, South Dakota!
3. Use construction paper to make a Bible, beach ball, and plate of food. Attach the items across the middle of the bulletin board. Staple a few sheets of construction paper in the same area, and tape several markers on top of the construction paper sheets.

Label each summer camp item:

Bible stories

Games

Food

Crafts

4. Along the bottom of the bulletin board, use markers to print:
Pray for Matt and Amanda Hadden and the volunteers who have summer day camp for children at Chanku Waste Ranch.
