

Engage your small group to dig deeper into the December 2023 issue of *Missions Mosaic* magazine with the following questions and challenges.

Pick and choose the questions that work best for your group. If discussion grows around one or two questions, feel free to focus on the topics sparking deeper conversation. There is no right or wrong way to use this discussion guide. For further study and group activity ideas, check out *Women on Mission Leader*.

Bible Study

1. We all face challenges in life. How do you pray when you feel the weight of those challenges?
2. Daniel showed faith in many ways. Who are some other people (biblical or not) who showed or are currently showing faith?

Prayer

1. Have you thought about the importance of prayer to and in missions work? How does prayer impact missions work?
2. What does it look like to embrace prayer as an every day, every moment lifestyle? How can you create reminders to pray throughout the day?

This Month's Spotlight

1. As you read about the Week of Prayer for International Missions, what are some key takeaways—challenges, needs, and gospel movements—that need prayer?
2. Supporting the Lottie Moon Christmas Offering (LMCO) does not begin and end with financial contributions. Prayer is vital. What are ways you can remember to pray for the LMCO (increase, allocation, results) and the week of prayer missionaries during this Christmas season? For example, stuffed animals can remind you to pray for the missionaries in Belgium, and video games can remind you to pray for the missionaries in Japan.
