

Celebrate and Share

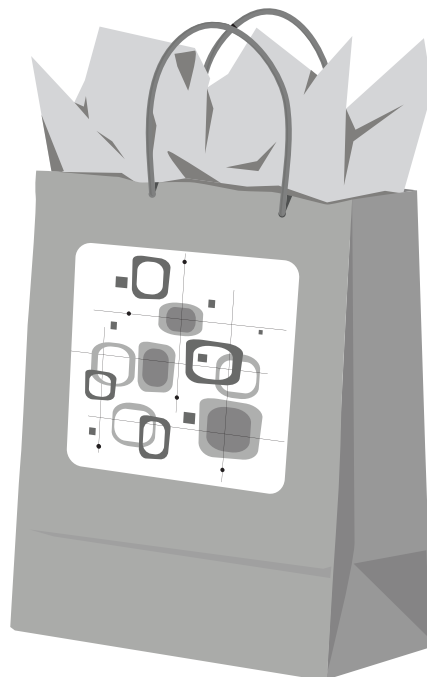

This month, preschoolers will learn about Brent and Amy Dorsett, special workers in Central Asia. The Dorsetts work hard to tell and teach others about Jesus.

Christmas is a time for celebrating and sharing Jesus with others.

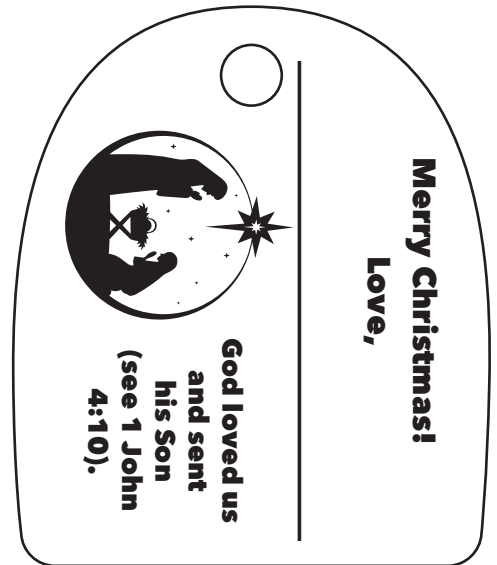

1. Choose one of the following activities to do with your family to celebrate and share Jesus.
2. Print out the gift tag for your child to color and add to the gift.
3. Go as a family to deliver the gift. Celebrate Jesus as you share with others!

Bake cookies to give to a neighbor or community worker.

Shop for a gift for an elderly person.

Make a homemade craft gift to give to a church helper.
