

Telling People in Minnesota about God

This month, preschoolers are learning about Eber and Melisa Argueta, missionaries who have started a new Hispanic church in Saint Cloud, Minnesota. The Arguetas love the people and tell them that God cares for them.

Sip and Share

Invite your preschooler to help you host a hot cocoa party for friends.

1. Help your child invite friends over to sip hot cocoa.

Caution: Advise parents of the hot cocoa treat. Serve lukewarm cocoa to avoid burns.

2. Arrange a few activities for the friends to enjoy, such as blocks, simple crafts, or games.

3. As the friends sip hot chocolate and play together, encourage your child to share that God cares for everyone.

Open a Bible and read: God cares for you (see 1 Peter 5:7).
