

Helping Refugees in Boston

This month, preschoolers are learning about Aimee Stucke, a missionary who helps refugees who have moved from other countries to Boston, Massachusetts. Aimee is married to Coleman Stucke.

Pray together for Aimee Stucke as she helps people from other countries learn how to live in America.

Play with Paper Dolls

1. Print the following page on card stock.
2. Help your preschooler color and decorate the paper dolls and clothes with crayons and markers.
3. Cut out the pieces and fold the clothing tabs. Show your preschooler how to dress the paper dolls.
4. Play paper dolls with your preschooler, pretending to meet new people who moved to your neighborhood and inviting them to dinner.
