

April Bulletin Board Idea

Supplies: green, blue, and yellow butcher paper; roll of brown craft paper; scissors; stapler; markers; construction paper; glue sticks; one picture of each Mission Friend, one copy of the Singerman family photo (see page 2)

Directions:

1. Cover the bulletin board with blue (sky) and green (ground) butcher paper. Use craft paper to create a large cylinder hut. Cut yellow butcher paper into thin strips and staple them on top of the cylinder hut to resemble straw.
2. Print a copy of the Singerman family photo (see page 2). Mount it on the bulletin board.
3. On the hut, use markers to print:
Welcome to Uganda!

Along the bottom of the bulletin board, use markers to print:
Join Mission Friends as they pray for Kevin and Victoria Singerman, missionaries in Kampala, Uganda.
4. Mount each preschooler's picture on construction paper. Attach them to the bulletin board.
