

Kids Club in Peru

This month, Mission Friends are learning about Jim and Mandy Wells and their family in Lima, Peru. Mr. and Mrs. Wells and their local church have a kids club on Saturday mornings in a low-income area of Lima. The children who attend kids club enjoy breakfast and a Bible story time.

Pray together for Jim and Mandy Wells, and their two children, Micah and Ellie.

Friends for Breakfast

Allow your preschooler to invite one or two friends to breakfast. Check with parents for any allergies their child may have.

- Let your preschooler help prepare a simple breakfast to share.
- After breakfast, sit together and share a Bible story from an illustrated Bible. Say: Jim and Mandy Wells are missionaries who teach Bible stories to children in Peru.
- **Open the Bible and read:** The Bible tells us about Jesus (see 2 Tim. 3:15).
- Provide toy foods and dishes so the friends can pretend to cook breakfast for each other.
