

## August Bulletin Board Idea

**Supplies:** yellow, blue, and black butcher paper; beach-themed bulletin board trim; construction paper; scissors; stapler; white wide-tip marker; precut alphabet letters; markers; card stock; copies of "Coffee Cup Template" (see below); stickers; washi tape

**Directions:**

1. Cover a bulletin board with yellow butcher paper. Add bulletin board trim around the edges.
2. Use blue butcher paper to make a simple coffee cart on the bulletin board. Use butcher paper and construction paper to add details such as tires, cart legs, and cart trim.
3. Across the top of the bulletin board, use precut alphabet letters to say:  
**Welcome to Orange County, California!**
4. To one side of the cart, use black butcher paper and construction paper to make a sandwich board. Use a white wide-tip marker to print on the black sandwich board message area:  
**Karo Ku gives people free coffee and tells them about Jesus.**

Print the Bible thought on the bulletin board:

**Tell people about Jesus (see Matt. 28:19).**

5. Give each preschooler a copy of "Coffee Cup Template" to cut out and decorate with markers, stickers, and washi tape. Add coffee cups to the coffee cart or around the bulletin board.
