

A Coffee Cart in Orange County

This month, preschoolers are learning about Karo Ku, a missionary who plants (starts) new churches in Orange County, California. Mr. Ku helps and encourages other people who start churches in Orange County. One way he encourages them is by taking his coffee cart to the new churches or new church events and offering free coffee to bring people in to hear about Jesus.

Visit a Cart

Go for a walk with your preschooler. Look for a cart to visit—coffee, ice cream, churro, or another type of cart in your community. Visit with the cart owner as you purchase something to enjoy as a family.

Pray Together

After your walk, **open the Bible and read:** Tell people about Jesus (see Matt. 28:19). Pray as a family for Karo Ku as he helps start new churches, serves coffee from his coffee cart, and tells people he meets about Jesus.
