

# Mission Friends

Preschoolers are like sponges, which means teachers have an incredible opportunity to lay a significant foundation about God and His love for all the peoples of the world. By emphasizing missions with preschoolers, we expose their hearts and minds to important truths about the character of God, the exclusivity of Jesus, and the people of the world who need to hear about Christ.

Mission Friends® serves preschool boys and girls (birth through kindergarten). Through Mission Friends, preschoolers

- become aware God wants everyone to know of His love;
- **learn** to focus less on themselves and more on others;
- apply the Bible to their lives as they learn to **pray** for and **give** to missions; and
- **do** missions by helping alongside family members and their church.

Churches that provide preschoolers a missions foundation benefit as their preschoolers grow toward God and learn they can tell others about Jesus' love.
