

## Sharing Jesus with People in Paris

This month preschoolers are learning about Jason and Cassie Harris, missionaries in Paris, France. The Harrises recently spent their summer telling people from all around the world who traveled to Paris for the Summer Olympics about Jesus. Pray that people who heard about Jesus when they were in Paris will choose to love Jesus!

### French Colors

Each circle has a color word in French and English. Say the color words with your preschooler. Invite him or her to choose a matching color crayon to color the circle.
