

Checklist for Planning a myMISSION Meeting

Use this checklist to make sure you are covering the basics as you plan for your myMISSION meeting.

- Read through the articles in *Missions Mosaic*, and determine which ones to discuss with your myMISSION group.
- Become familiar with the missionaries featured in This Month's Spotlight in this month's *Missions Mosaic*.
- Download the myMISSION Bible Study and Faith in Action from wmu.com/adults. (Scroll down, and look under the myMISSION tabs for "Bible Study & Faith in Action.")
- Take time to study both the Bible Study and Faith in Action articles. Journal your responses, or take notes on the printout of how you respond to each prompt.
- Email this month's Bible Study & Faith in Action PDF to each group member before your meeting.
- Make an outline of how to lead the discussion of the material with your myMISSION group: articles from *Missions Mosaic*, Bible Study, and Faith in Action.
- If desired, secure volunteers to lead elements of the meeting or to lead a mission action activity for the month. Make sure each volunteer has access to their part of the materials in plenty of time to prepare for your meeting.
- Create a supply list. Gather and prepare your supplies.
- Set up any activities in your meeting space.
- Pray for each individual who is part of your group and for your time together.
