

October Bulletin Board Idea

Supplies: yellow butcher paper; scissors; black paint; paper plate; toy plastic motorcycles; stapler; bulletin board trim; cellophane tape; markers; card stock; one copy of "Bible" (see below)

Directions:

1. Cut yellow butcher paper to fit a bulletin board. Add black paint to a paper plate, drive a toy motorcycle through it, and make motorcycle tire prints winding around the yellow paper. Wash the motorcycle. When the paint is dry, staple the paper on the bulletin board. Staple bulletin board trim around the edges.

2. Add "Bible" to the bulletin board. Print the Bible thought near the Bible.

The Bible tells us about Jesus (see 2 Tim. 3:15).

3. Use markers to print:

Michele Newsome rides her motorcycle and tells people about Jesus.

4. Tape toy motorcycles along the tire prints.
