

**Motorcycle Helmet**  
**(Template on following page.)**

Print on colored paper (one per child). Cut out helmet and visor section. Tape a 2-inch-wide strip of paper on one side. Place helmet on a child's head and tape the opposite side in place to fit. Cut off extra paper.

**Tip:** Invite preschoolers to decorate their helmets with markers before you tape them together. Do not allow preschoolers to share helmets.
