

Telling People in Scandinavia About Jesus

In December, preschoolers are learning about Zack and Jennifer Dove, missionaries in Norway, a country in Scandinavia. Preschoolers are hearing ways the Lottie Moon Christmas Offering helps the Doves and the importance of praying for missionaries. The Doves want people in Norway to know about Jesus and celebrate Christmas because God sent His Son, Jesus.

Make a Prayer Wheel

1. Print the wheels on card stock.
2. Help your child color and cut out the circles. Cut out the wedge on the top circle. Place the Prayer Wheel on top of the Prayer Requests wheel. Connect both circles in the center with a brad.
3. Allow your child to spin the wheel. Help find the day of the week. Read the words and pray together for the prayer request.
4. **Open the Bible and read:** Pray for one another (see James 5:16).
