

Meet a Fire Chaplain Helper

This month preschoolers are learning about Will Murphy, a fire chaplain in Florida. Chaplain Murphy ministers to firefighters and their families. Chaplain Murphy helps firefighters and their families as he spends time with them, talks with them, prays for them, and tells them about Jesus.

Firefighter Figures

- Print the firefighter figures on card stock.
- Encourage your preschooler to color the figures and the firefighter clothes.
- Help your preschooler cut out each piece and fold the tabs to put the clothes on the firefighter figures.
- As your child plays with the firefighter figures, encourage them to pray for Chaplain Murphy and the firefighters in your community.
